

Report of Direct Campaign Expenditures: Schedule ATX.1

(Previously "Independent Expenditures not by a Candidate")

Instruction Guide

This report must be filed by persons (as defined in § 2-2-2(17) of the City Code, which includes corporations and political committees) **other than a candidate or a candidate's campaign committee**, who make one or more direct campaign expenditures in a City election that in the aggregate meet or exceed \$500.

A **direct campaign expenditure** is an expenditure for an electioneering communication or for express advocacy, as defined in City Code Section § 2-2-31, that is made:

1. independently of any candidate and any candidate's campaign committee;
2. without prior consent, cooperation, strategic communication, or consultation between:
 - (a) any candidate, any candidate's campaign staff, any candidate's campaign committee, or an agent or employee of any candidate or candidate's campaign committee; and
 - (b) the person or entity making the expenditure, or that person's agent or employee; and
3. without prior sharing of material information regarding the communication's content, intended audience, timing, or method of dissemination between:
 - (a) any candidate, any candidate's campaign staff, any candidate's campaign committee, or an agent or employee of any candidate or any candidate's campaign committee; and
 - (b) the person or entity making the expenditure, or that person's agent or employee.

An individual or organization must file this report with the Office of the City Clerk each time the aggregate \$500 expenditure threshold is met. The filing of one **Schedule ATX.1: Report of Direct Campaign Expenditures** does not excuse the filing of a subsequent report each time this threshold is met.

The deadlines for timely filing of this report are:

1. If the expenditure is made before the 60th day before the date of the election, no later than the fifth business day after the date of the expenditure.
2. If the expenditure is made on or after the 60th day before the date of the election and before the ninth day before the date of the election, no later than the second business day after the date of the expenditure.
3. If the expenditure is made on or after the ninth day before the date of the election, no later than 5 p.m. on the first business day after the date of the expenditure.

Note that the City of Austin's requirement for reporting direct campaign expenditures does not supersede, modify or replace any reporting requirements established by the Texas Ethics Commission (TEC). Individuals, committees, or corporations who file an **ATX.1: Report of Direct Campaign Expenditures** with the City may be subject to additional reporting requirements established by the TEC. It is incumbent upon the filer to be aware of and comply with all reporting requirements for direct campaign expenditures established by governing bodies external to the City.

Electronic Filing of Schedule ATX.1 Data

All direct campaign expenditures disclosed on the **ATX.1: Report of Direct Campaign Expenditures** must be reported electronically. The City Clerk's Office has created a fillable PDF form in which to record the required information. Fillable PDF forms must be received by the City Clerk in the provided format. Printed and scanned, or otherwise modified, copies of the fillable PDFs will render the data unreadable and the City Clerk will be required to reject the submitted data. The form should be delivered to the City Clerk's Office on a flash drive or other media; email submission of the fillable PDF is not permitted at this time.

Instruction Guide

Required fields are highlighted in **red** below. Failure to complete a required field will result in the data file being rejected by the City Clerk.

Per City Code § 2-2-26, the City Clerk will reject fillable PDF forms that do not comply with formatting and data requirements. Acceptance of a paper form does not indicate acceptance of the data file. For each report filed, a validation report will be generated and provided to the filer within one business day, indicating acceptance or rejection of the data file.
