**Hispanic/Latino Quality of Life Resource Advisory Commission**

**Recommendation Number: 20160727-004-B4 : Discussion and possible action to recommend that the City Council consider the following resolutions.**

**BE IT RESOLVED that the Hispanic/Latino Quality of Life Resource Advisory Commission requests that the Austin City Council: Funds the Montopolis and Del Valle Community Health Assessment for \$150,000. The areas of Montopolis and Del Valle are areas marked by a lack of investment for decades, rapid growth, and need. Predominantly Latino and very low-income, these areas are the direction where many of the current city residents who cannot afford to stay in Austin are headed. There is a lack of services in this area and a need to ascertain what health conditions impact these communities. This project will consist of data analysis, stakeholder interviews, and focus groups.**
