Re: The Grove

Dear Mayor Adler and Council Member Gallo:

Enclosed for each of you is a copy of a petition signed by 288 residents of Westminster life care community. The signatories have had a year and a half to think about The Grove's development, and to observe the changes made after neighborhood input and negotiations with the Developer.

The petition speaks for itself and sets forth the conclusion of the majority of Westminster residents that ARG's design is for a superior master-planned community. The listed attributes are in accord with the vision of Imagine Austin for the future of our great City.

The petition signers, of whom I am one, urge the support of our City's leaders for The Grove's development by ARG.

Sincerely,

Susan Sharlot
