

MEMORANDUM

TO: Mayor and Council

FROM: Gregory I. Guernsey, AICP, Director
Planning and Zoning Department

DATE: August 12, 2016

SUBJECT: **Withdrawal for Non-Peak Hour Concrete Installation**

Staff is requesting a withdrawal of the following item from the August 18, 2016, City Council meeting agenda.

Approve an ordinance amending City Code 9-2 relating to requirements for non-peak hour concrete installation within portions of the Central Business District and Public zoning districts.

After recent discussions with the Economic Development Department and the Austin Police Department, it was determined the enforcement provisions of the proposed ordinance could not be enforced as written. The Development Services Department and Planning and Zoning Department will be working with these departments and the Law Department to create a new ordinance that addresses this problem. Staff anticipates a revised ordinance will be presented to Council within the next 45 to 60 days.

Cc: Marc Ott, City Manager
Sue Edwards, Assistant City Manager
