## Additional Backup Information

In order to modify or alter the existing speed limit of a street, Texas laws require that a traffic engineering investigation be performed. Traffic Conditions, pedestrian routes, and proximity to Elsa England Elementary School were evaluated on Pearson Ranch Road by the Austin Transportation Department to determine if modifications were appropriate to improve the safety for the students attending this school. Based on this investigation, the Austin Transportation Department recommends adding the following to City Code Section 12-4-64(D) (Table of Speed Limits):

**Add:** Pearson Ranch Road from 200 feet north of Iveans Way to 28 feet south of Iveans Way (Austin City Limit). (25 MPH)
