

# Late Backup

A **\$200,000 home** in the Wildhorse Public Improvement District will have an annual bill that looks something like....

Travis County, 0.4169 = \$833.8

City of Austin, 0.4589 = \$917.8

Travis County Healthcare District, 0.117781 = \$235.562

Manor ISD, 1.515 = \$3,030

Austin Community College Dist., 0.1005 = \$201

—

\$5,218.162 + \$700\* assessment = **\$ 5,918.16 per year.**

That's an **extra** sum of **\$493.18** per month on top of interest and principal. Not including insurance, nor homeowner's association fees.

\*(Public Improvement District assessment is equal to \$0.35 per hundred dollars of value)
