

COMMISSION RECOMMENDATION

Urban Transportation Commission

Recommendation Number 20161011-03C: Capital Metro Connections 2025 Draft Transit Plan

WHEREAS, Capital Metro has spent a year conducting a top-to-bottom evaluation of current transit needs and services, including hosting in-person community events, online engagement efforts, and dozens of briefings with organizations, including the Urban Transportation Commission; and

WHEREAS, Capital Metro has collected the finding of these studies into a report and Transit Plan, entitled Connections 2025, to create a more effective and integrated system to address the region's transportation challenges;

NOW, THEREFORE, BE IT RESOLVED that the Urban Transportation Commission recommends to the City Council the adoption and implementation of Connections 2025 Plan.
