Subject: Withdraw 705 Lydia Street case C15-2016-0078

H1/46
Withdrawn

Good Morning Leane,

It looks like we will be able to develop an accessory apartment at 705 Lydia using LDC 25-2-901 without any variances being required.

Therefore, I'm requesting that the 705 Lydia Street variance, case C15-2016-0078, scheduled for reconsideration, be withdrawn.

I want to thank you and the board members for your time and thoughtful consideration.

Mark
