Additional Backup Information

The Mooreland Addition annexation area (approximately 34 acres) is located in southwestern Travis County at the intersection of Manchaca Road and Mooreland Drive. This area is currently in the City's extraterritorial jurisdiction and is adjacent to the City's full purpose jurisdiction on its northern, eastern, and southern sides. Annexation of the Smithfield/Frate Barker area will result in this area becoming surrounded by the City's full purpose jurisdiction on all sides. Existing land uses in the area include commercial/office/warehouse uses along Manchaca Road in addition to approximately 35 single family homes. No capital improvement expenditures are required to provide city services in compliance with state law.
