Additional Backup Information

The Smithfield/Frate Barker annexation area (approximately 46 acres) is located in southwestern Travis County at the intersection of Frate Barker Road and Manchaca Road. This area is currently in the City's extraterritorial jurisdiction and is adjacent to the City's full purpose jurisdiction on its northern and western sides. The proposed Smithfield Condominiums (C8J-2015-0139.0A) project anticipates the development of 97 multi-family units. The remainder of the annexation area is primarily developed with office/warehouse/commercial uses along Manchaca Road. No capital improvement expenditures are required to provide city services in compliance with state law.
