

**Recommendation for
Water & Wastewater Commission**

Commission Meeting Date:	November 9, 2016
Council Meeting Date:	December 1, 2016
Department:	Capital Contracting Office
SUBJECT	
<p>Authorize negotiation and execution of a professional services agreement with the following 10 staff recommended firms (or other qualified responders) for Request for Qualifications Solicitation No. CLMP202: K FRIESE & ASSOCIATES, INC., RILEY MOUNTAIN ENGINEERING, LLC DBA OTHON FOWLER, INC., ALAN PLUMMER ASSOCIATES, INC., THONHOFF CONSULTING ENGINEERS, INC., HEJL, LEE & ASSOCIATES, INC., FREESE AND NICHOLS, INC., MWM DESIGN GROUP, WESTON SOLUTIONS, INC., COBB, FENDLEY & ASSOCIATES, INC., URBAN DESIGN GROUP PC., for engineering services for the 2017 Small Diameter Pipeline Engineering Rotation List for an estimated period of three years or until financial authorization is expended, with the total amount not to exceed \$5,000,000.00 divided among the 10 firms.</p>	
AMOUNT AND SOURCE OF FUNDING	
<p>Funding is available in the Fiscal Year 2016-2017 Capital and/or Operating Budgets of Austin Water.</p>	
Purchasing Language:	Staff recommendation is selection of the 10 most qualified firms out of 42 firms evaluated through the City's qualification-based selection process.
Prior Council Action:	N/A
For More Information:	Rolando Fernandez, 512-974-7749; Sarah Torchin, 512-974-7141; Kevin Koeller, 512-972-2055; Denise Avery, 512-972-0104
Boards and Commission Action:	November 9, 2016- To be reviewed by the Water and Wastewater Commission.
MBE/WBE:	This contract will be awarded in compliance with City Code Chapter 2-9B (Minority Owned and Women Owned Business Enterprise Procurement Program) by meeting the goals with 15.80% MBE and 15.80% WBE participation.

As a standard business practice, the City routinely engages the services of professional engineering firms to perform analysis, design and related support associated with construction or improvement of City capital assets. Rotation list contracting allows the City to always have a group of qualified consultants available to perform a specific type of recurring work in a timely manner to meet the project needs of the City.

Prior to issuing this solicitation, it was reviewed by the City's Rotation List Advisory Committee, which is made up of staff from the Capital Contracting Office, Small and Minority Business Resource Department, Austin Water, and Public Works Department. The total authorization amount, the number of firms to be recommended for selection, and the authorization amount per firm were discussed and reviewed by the Committee.

The existing Small Diameter Water and Wastewater Pipeline rotation list agreement was established in 2011 utilizing ten (10) firms to provide engineering services for Austin Water. Remaining authority on this rotation list will be expended in the near future. Austin Water has identified numerous small diameter water, wastewater, reuse system, and other pipeline projects as part of the current Capital Improvements Program (CIP) that will be necessary to meet current and future utility needs of its customers. These projects will require external engineering services to properly plan, evaluate, design, and implement.

Projects under the 2017 Small Diameter Pipeline Engineering Rotation List contract will generally be for pipelines that are less than 16 inch in diameter. The selected firms will also provide consultation and professional services for engineering studies, reports, planning, design, construction phase services, and project management of water, wastewater, and reclaimed water system pipeline projects. Ancillary projects may include trenchless construction, evaluation and analysis of condition assessment data, and rehabilitation of small diameter wastewater interceptors, manholes, and shafts.

The total funding authority for the 2017 Small Diameter Rotation List is \$5,000,000.00 with the authority for each of the 10 firms to be approximately \$500,000.00.

Remaining authority on the 2011 Small Diameter Pipeline Rotation List will be expended in the near future. A delay in approval of this RCA could negatively impact the Water and Waste Water pipeline projects throughout the City.

This request allows for the development of a professional services agreement with each of the 10 recommended firms for an estimated period of 3 years or until financial authorization is expended. Initial project assignments will be based on the firm's final ranking as determined during the Request for Qualifications evaluation (highest to lowest), the maximum cumulative contracted amount in comparison to the estimated task budget for that firm, and the firm's qualifications and availability of expertise at time of project need. Per firm authorizations may be increased or decreased, through the life of the contract, based on the needs of a particular assignment and will follow the established rotation list policies and procedures. If the City is unsuccessful in negotiating a satisfactory agreement with a recommended firm(s), if a selected firm ceases practice during the contract period, or if the City elects to terminate its agreement with one of the selected firms, the remaining assignments will be assigned to the remaining firm(s) for the duration of the contract period.

A complete solicitation package is on file with the City's Capital Contracting Office and is available on the City's Financial Services Austin Finance Online website.

RECOMMENDED FIRMS:

K FRIESE & ASSOCIATES, INC. is located in Austin TX
RILEY MOUNTAIN ENGINEERING, LLC DBA OTHON FOWLER, INC. is located in Austin, TX
ALAN PLUMMER ASSOCIATES, INC. is located in Austin, TX
THONHOFF CONSULTING ENGINEERS, INC. is located in Austin TX
HEJL, LEE & ASSOCIATES, INC. is located in Hutto, TX
FREESE AND NICHOLS, INC. is located in Austin, TX
MWM DESIGN GROUP is located in Austin, TX
WESTON SOLUTIONS, INC. is located in Austin, TX
COBB, FENDLEY & ASSOCIATES, INC. is located in Austin, TX
URBAN DESIGN GROUP PC is located in Austin, TX

M/WBE Summary – Rotation List

Notification of issuance of a Request for Qualifications on June 29, 2016 through the City's Vendor Connection web portal resulted in 2686 firms receiving notice. The solicitations were obtained by 152 firms and 43 submitted qualification statements. Thirteen of the firms were certified MBE/WBE firms.

Participation subgoals stated in the solicitation were 1.90% African American; 9.00% Hispanic; 4.90% Asian/Native American; and 15.80% WBE. The recommended firms provided a MBE/WBE Compliance Plan that met the goals of the solicitation and was approved by the Small and Minority Business Resources Department.
