

Objection #2:
The Guesthouse Hotel's Request for Building Waiver

The Guesthouse Hotel is requesting a waiver to the city code in order to construct their hotel building 5 feet from The Church in Austin's property, rather than the 24-foot setback required by city code compatibility standards.

I am a member of The Church in Austin.

I object to the City of Austin waiving the above-mentioned required building setback of 24 feet.

Oposición #2:

La solicitud de exención de la construcción por The Guesthouse Hotel

The Guesthouse Hotel está solicitando una exención del código de la ciudad para poder construir el edificio del hotel a 5 pies de la propiedad de *The Church in Austin* en lugar de permitir 24 pies de retroceso como se requiere según las normas de compatibilidad del código de la ciudad.

Yo soy miembro de *The Church in Austin*.

Me opongo a que la Ciudad de Austin haga exención del retroceso de construcción de 24 pies necesarios como fue antes mencionado.

Note regarding my objection, as part
of Objection #2: The Caution House Hotel's
Request for Building Waiver.

As a homeowner in Austin for 23 years,
I have been obligated repeatedly by the
City of Austin to comply with building
codes and ordinances regarding my use
of my property. This has often been
at great cost to me, being a person
of limited income. I feel strongly
that this new entity be required to
comply with the codes, as I've been
told more than once that they are
for the greater good and our protection.
The Church in Austin purchased and
occupied its property some 40 years ago.
It/we have faithfully complied with the City.
Ralph Walsh, 5303B West Oak Blvd, 78745.

Objection #2:
The Guesthouse Hotel's Request for Building Waiver

The Guesthouse Hotel is requesting a waiver to the city code in order to construct their hotel building 5 feet from The Church in Austin's property, rather than the 24-foot setback required by city code compatibility standards.

I am a member of The Church in Austin.

I object to the City of Austin waiving the above-mentioned required building setback of 24 feet.
