Hi Laura – see below, I'll include it in the Board's 11/14 agenda.

The Board postponed the case last night because they said they'd really love to see if the playground could go elsewhere, but if not are open to looking at a location as far from neighboring SF as can be achieved. 10/31 is last day to submit new evidence for their advance packet for that hearing, FYI – emailing to me is fine, or you can drop of 9 sets of either full color or large format drawings you'd like them to see (we reduce all down to 8 ½ x 11 and duplicate in black and white, fyi).

My mailbox is 1st floor 505 Barton Springs Road in the Development Assistance Center, lobby is open from 81-4:45p for mailbox drop off.

Take care and FYI,
