

## ENVIRONMENTAL BOARD MOTION 061709 5B

**Date:** June 17, 2009

**Subject:** Walnut Creek Water Quality Monitoring

**Motioned By:** Phil Moncada

**Seconded By:** Rodney Ahart

**Recommendation:**

The Environmental Board recommends that the Watershed Protection and Development Review Department continue to monitor watersheds within the City of Austin's jurisdictions to maintain water quality, natural areas, and greenbelts in the City of Austin.

**Board Conditions:**

W.P. D. R. continues to fund this activity and continue to work with other City of Austin Departments and educating the public.

**Rationale:**

Without these studies, we have no mechanism in place to truly monitor water quality and maintain riparian areas, and floodplain restoration and protection.
