La solicitud de exención de la construcción por The Guesthouse Hotel

The Guesthouse Hotel está solicitando una exención del código de la ciudad para poder construir el edificio del hotel a 5 pies de la propiedad de *The Church in Austin* en lugar de permitir 24 pies de retroceso como se requiere según las normas de compatibilidad del código de la ciudad.

Yo soy miembro de *The Church in Austin*.

The Guesthouse Hotel's Request for Building Waiver

The Guesthouse Hotel is requesting a waiver to the city code in order to construct their hotel building 5 feet from The Church in Austin's property, rather than the 24-foot setback required by city code compatibility standards.

I am a member of The Church in Austin.

I object to the City of Austin waiving the above-mentioned required building setback of 24 feet.

Oposición #2:

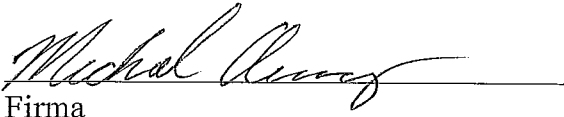

La solicitud de exención de la construcción por The Guesthouse Hotel

The Guesthouse Hotel está solicitando una exención del código de la ciudad para poder construir el edificio del hotel a 5 pies de la propiedad de *The Church in Austin* en lugar de permitir 24 pies de retroceso como se requiere según las normas de compatibilidad del código de la ciudad.

Yo soy miembro de *The Church in Austin*.

Me opongo a que la Ciudad de Austin haga exención del retroceso de construcción de 24 pies necesarios como fue antes mencionado.
