- 1) Which committees should continue for 2017-18?
- 2) Which committees could convert to more limited purposes?
- 3) On which committees do Council Members have an interest in serving?
- 4) If interest exceeds current capacity (4 members), should committee size be expanded? If not, how will we determine membership?
- 5) For what duration of time should committees meet?
- 6) What role could task forces play?
