

**BOARD/COMMISSION RECOMMENDATION**

**Joint Sustainability Committee**

**Recommendation Number: (20170125-03C)**

**Establish Electric Vehicle Community Goal and Increase Renewables Goal**

**NOW THEREFORE, BE IT RESOLVED** that the Joint Sustainability Committee recommends that the Electric Utility Commission Resource Planning Working Group adopt a goal of 100,000 electric vehicles in Travis County by 2025, a goal of 50% of all trips achieved through electric drive by 2030, and that the City Manager be directed to issue an RFP to achieve these goals by the second quarter of 2017.

The Committee further recommends that the Working Group increase the goal for renewables in the Austin Energy Resource, Generation, and Climate Protection Plan, as ambitiously as affordable and practicable, to put the utility on a path to meet the council policy to have no greenhouse gas emissions from Austin Energy controlled resources by 2030.

Date of Approval: January 25, 2017

Record of the vote: Approved on a 12-0-1 vote, with Committee Member Haschke abstaining and Committee Member Davis absent.
