Please see attached Sources and Uses.

13) Describe Resident Services that may be provided to tenants.

Foundation Communities will provide free, supportive service programs that will educate, support and improve financial standing for residents of Mueller Apartments. Supportive Service programs to be offered ON-SITE at community spaces located at Mueller Apartments include:

Afterschool Program – Children living at Mueller Apartments will be able to attend the after-school program in the on-site community learning center. Foundation Communities’ afterschool programs offer academic assistance, enrichment activities, fitness activities, nutrition lessons and provide support services and educational opportunities for parents as well. Our PATHS (Planning Ahead Toward Health and School Success) program helps low-income children address low reading scores and obesity/inactivity/poor nutrition, setting them on a path to lifelong self-sufficiency and success. FC maintains a strong relationship with nearby schools with teachers and after-school staff working together to help each child succeed. Our afterschool programs currently serve over 600 students each year.

Summer-Youth Program – Children living at Mueller Apartments will be able to attend the summer-youth program to be held in the on-site community learning center. The goal of the Summer Youth Program is to provide a structured, supervised environment where youth can gain exposure to a variety of summer learning and enrichment activities, develop important social skills, and work toward a brighter future. In addition, the program will:

- provide free access to rewarding, hands-on educational, cultural, artistic, and recreational activities for youth ages 5-14.
- retain educational gains made during the school year.
- provide a structured, supervised time with caring adults who model and reward positive behavior and interaction.
- supply free, nutritious lunches and snacks five days per week.

Children’s HOME Initiative –Thirteen units (10%) at Mueller Apartments will be set-aside for families participating in FC’s Children’s HOME Initiative. The CHI program provides low-cost transitional housing for up to 18 months to families who are considered Extremely Low Income (at or below 30% of the area’s MFI). By engaging in case management services, families are able to outline their path toward permanent affordable housing and work to achieve an independent and healthy lifestyle.

Health Initiatives – Mueller Apartments will connect residents to local health resources and offer on-site programming including: free health fairs, exercise classes and nutrition and cooking classes.

The following services will be provided for residents participating in the CHI program at Mueller Apartments:

- Computer training
- Intensive Case Management
- Individualized Family Support
- Crisis Management
- Financial Literacy
- Debt Management

- Children's Advocacy
- Educational Support
- Career Awareness & Enrichment
- Long-term Goal Development
- Resource Brokering

Other Supportive Service programs provided by Foundation Communities, but located OFF-SITE include:

- Financial Education
- Financial Coaching
- Matched Savings Accounts
- Microenterprise assistance
- College Savings & Financial Assistance

Supportive Service Experience - Foundation Communities, as the primary supportive service provider at Mueller Apartments, has 20 years experience in the provision of supportive services to its residents. At all of our properties, we enable our residents to increase their personal development, education, safety, and health at one convenient location in their neighborhood. Through strategic partnerships, last year FC gave 600+ children of working parents a safe place to go when school's out right where they live and helped 85% of students maintain or improve grades. Talented volunteers help us increase adults' earning potential through classes in English as a Second Language, GED preparation, and computer skills, as well as employment counseling and social service referrals. Each year, we also empower more than 100 families to become smart consumers through economic education and at least 50% of them to reduce debt. More than 125 families have earned a 2-to-1 match in special savings accounts to purchase a home, attended college, or started a business. We also provide free income tax preparation for 20,000+ low-income workers and retirees with the help of 400 IRS-certified volunteers.

The Children's HOME Initiative Program (CHI) is the only program of its kind in Austin. In 2003, Foundation Communities launched CHI to address the overwhelming need in the community for quality affordable housing for families with incomes of 30% of the Median Family Income. Grants from NeighborWorks America, a national funder, enabled us to pay down mortgages at three of our apartment complexes and permanently set aside apartments to create this program; 10% or more of every new family property we open will be reserved for CHI. Of a dozen national housing organizations that were granted similar funding, FC was the first to get the program up and running and has the longest and most successful track record. We have developed a successful model for helping families with extremely low incomes achieve self-sufficiency by providing stable housing and intensive case management. Since 2003, CHI has supported close to 300 families and more than 600 children in regaining housing and economic stability.

14) Provide information about planned on-site amenities (e.g. recreation facilities, computer lab, Wi-Fi).

Unit features will include ceiling fans, microwave, dishwasher, refrigerator with icemaker, self-cleaning ovens, washer/dryer hook-ups, nine foot ceilings, granite or solid surface countertops, and ceramic flooring. On-site amenities will include a learning center with computer lab,

playground and BBQ/picnic areas. Green features will include high efficiency HVAC and water heaters, energy star rated appliances and ceiling fans, LED lighting, low voc paints and adhesives, and formaldehyde-free cabinets and counters.

15) Provide information about the Developer's Experience and Development Background.

Please see attached Organizational Resume.

Foundation Communities has 20 years of experience contracting for and overseeing the construction and rehabilitation of affordable housing. As the owner and manager of more than 3,200 apartments across 22 properties, Foundation Communities has built a strong development team and has worked together on many projects. Eight of our existing communities were new construction projects financed with tax credits with two additional communities (140 units) currently in design and construction. Fourteen of our communities were purchased as existing properties and greatly improved with renovations, green spaces and playscapes, learning centers, landscaping, signage, lighting and green building features (solar panels and rain water harvesting). Six properties are single room occupancy permanent supportive housing, two properties are duplexes and the remaining 14 properties are multifamily properties.

Funding Experience: Foundation Communities, Inc. has experience utilizing all funding tools available for the development of affordable multifamily housing. We have an excellent track record of securing funding in competitive allocations of the 9% LIHTC. We also have solid relationships with multiple lenders. Three most recently completed projects utilize the following five layers of funding: 9% LIHTCs, City of Austin RHDA funding, FHLB AHP program, construction/permanent loan and private fundraising.

LIHTCs and BONDS

Foundation Communities has applied for and been awarded 9% LIHTCs for 10 developments. Two of these awards were forward commitments by the Texas Department of Housing Board of Directors giving testament to Foundation Communities track record of high-quality developments with compelling missions. FC's development team is well-versed in the LIHTC program and application process. All applications are completed in-house by staff. Staff also closely follows the drafting of the Qualified Allocation Plan and is aware of changes to threshold and scoring items that impact a high-scoring application. FC has a staff team that has over 15 years of tax credit compliance with a record of no significant findings. FC also has relationships with multiple tax credit investors including Enterprise Community Investment and Bank of America.

Foundation Communities built and financed the Southwest Trails Apartments utilizing 4% LIHTC and private activity bonds. Bonds were issued by Austin Housing Finance Corporation.

City of Austin RHDA

The City of Austin has been a major contributor on every project completed by Foundation Communities in the past 10 years. The FC Development team follows the release of the City's application rules and NOFA and has a solid working relationship with City of Austin NHCD/AHFC staff.

Private Mortgages

Foundation Communities has excellent relationships with several lenders that allow for competitive rates and pricing. We currently have private mortgages with Compass BBBVA, Bank of America, Wells Fargo and Greater Texas Federal Credit Union.

Private Fundraising

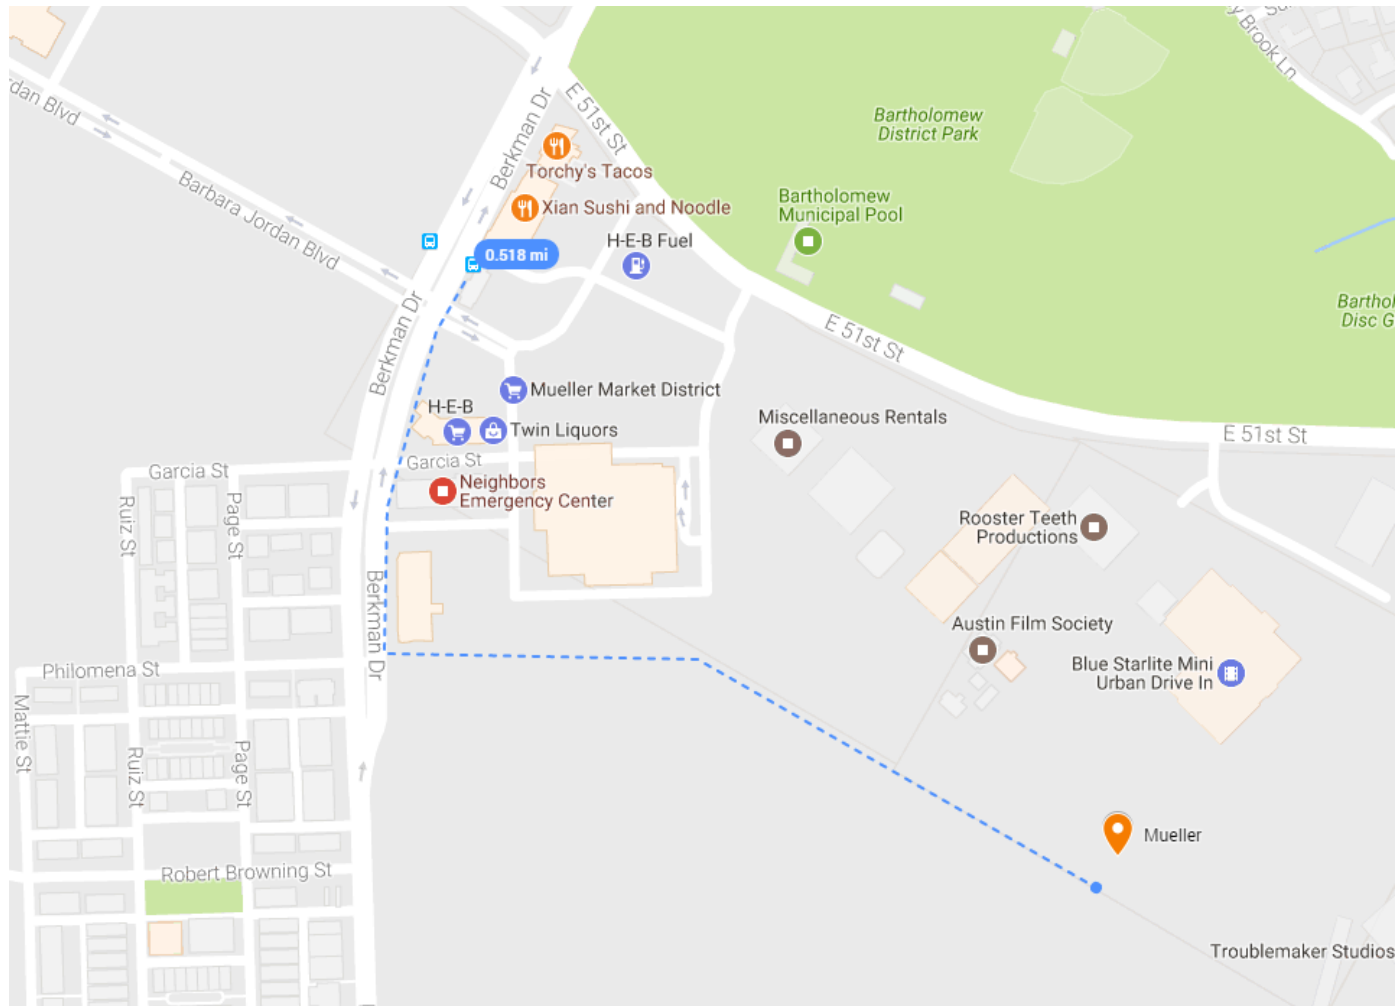

Unlike most affordable housing developers, Foundation Communities has a very strong track record of private fundraising and individual donations. Past large foundation donors include Meadows, Topfer, Kendeda, Enterprise, Home Depot, St. David's, and the Michael & Susan Dell Foundations. FC hosts an annual Welcome Home Luncheon which raises approximately \$1 million from individual donors to fund supportive services and programs.

FOUNDATION COMMUNITIES RESUME

FOUNDATION COMMUNITIES

At Foundation Communities, we create housing where individuals and families succeed. By combining affordable housing and social services, we empower low-income residents by teaching them the tools and providing the support they need to stabilize and improve their economic standing. Free, on-site programs within our communities eliminate barriers like cost and transportation. **We work in four focus areas:**

1

OPENING DOORS TO HOMES

We own and manage more than 3,200 apartments across 22 properties—19 in Austin and three in the Dallas/Fort Worth area—providing quality homes for both families and individuals. We are committed to having the greenest properties possible, from construction to remodeling to educating residents.

2

HEALTHY COMMUNITIES

All FC residents have access to health amenities, resources, and food pantries. We have 707 supportive housing apartments where single adults who have been homeless, are on fixed incomes, or who have chronic health problems and disabilities can reach their maximum level of self-sufficiency. To support families coming out of homelessness, we created the Children's HOME Initiative. These 135 apartments, integrated throughout our affordable housing communities, provide reduced rents and case management support to help vulnerable families move from crisis and instability to long-term self-sufficiency.

3

LEARNING IN A COMMUNITY

This year, our on-site Learning Centers will give 1,000 children of working parents considerable academic support and a safe place to go when school is out. 85% of these students maintain or improve their grades. Adult education is a priority as well. At these same Learning Centers, adult classes offered include computer skills, English as a Second Language, and financial literacy.

4

SAVING FOR THE FUTURE

We provide free tax preparation in Austin for more than 20,000 low income workers and retirees each year, with the help of 700 IRS-certified volunteers. Refunds amount to more than \$32 million per year, and can equal 25 percent of a family's annual income. More than 600 families annually become smart consumers through financial education and one-on-one financial coaching; at least 50% of them reduce their debt. Matched savings plans assist families in saving to purchase a home, attend college, or start a business. The Cash for College programs assist over 1,000 students annually with federal student aid forms and potential scholarships; most of these students are the first in their families to attend college.

BUILDING/PROPERTIES:

Foundation Communities builds and manages award-winning affordable housing in Austin. FC now has 22 properties and has developed seven new affordable housing communities in the past five years, with another to open in 2017.

Under construction, opening in 2017:

CARDINAL POINT: 120 units of family housing at 11011 ½ Four Points Drive, new learning center.

BLUEBONNET STUDIOS:

107 units of service-enriched permanent supportive housing at 2301 South Lamar Blvd., opening December 2016

LAKELINE STATION:

128 units of family housing at 13635 Rutledge Spur; new learning center, opening December 2016

LIVE OAK TRAILS:

58 units of family housing at 8500 Highway 71; children will use the learning center at Southwest Trails, FC's property right next door, opening December 2016

HOMESTEAD OAKS:

140 units of family housing at 3226 W. Slaughter Lane, new learning center. Opened 2015; full occupancy 2016.

CAPITAL STUDIOS:

135 units of permanent supportive housing at 309 East 11th St.; new construction, opened 2014. The first affordable housing to be built in downtown Austin in more than 40 years. Austin Business Journal's Commercial Real Estate Award for Multi-Family Development (rental).

ARBOR TERRACE:

120 units of permanent supportive housing; opened 2012. Rehab of former extended-stay hotel. ABJ Commercial Real Estate Award/Multi-Family Development (rental).

M STATION:

150 units of family housing; opened 2011. New construction. LEED Platinum certification, Enterprise Green Communities certification, and Austin Energy Green Building 5-Star rated community. Numerous awards, including Austin Green Award; Reader's Choice Award/Affordable Housing Finance Magazine; Affordable Property of the Year/Austin Apartment Association; Social Impact Award/ABJ Commercial Real Estate Awards.

EDUCATION

Foundation Communities has 11 on-site Learning Centers, with two more under construction, that serve 1000 children each year with educational programming. Offerings range from pre-literacy for 3-and 4-year-olds to teen programs. 800 elementary school kids who live in our housing and the surrounding communities attend our year-round afterschool and summer program, where we work with local elementary schools to identify students' needs. This academically-focused program (3 hours each school day, 5-6 hours in the summer) includes reading, homework help, physical activity, and enrichment.

We also serve adults and entire families in our education programs. Free Minds is a year-long cooperative program with UT and ACC, designed for adults who have never attended college or are returning after a long absence; they receive six college humanities credits upon completion. Other adult classes include computer skills, English as a Second Language, exercise classes, and healthy cooking.

FINANCIAL STABILITY

Foundation Communities' Financial Stability programs help more than 25,000 people each year across our community.

- The Community Tax Centers prepare more than 20,000 tax returns each year in Central Texas, totaling more than \$32 million in refunds.
- Incentivized savings allow families to save for emergencies, higher education, home purchase, or starting a business.
- Financial education and financial coaching give individuals and families the resources they need for economic stability and success, including credit repair and budgeting.
- Cash for College helps students with FAFSA forms and figuring out how to apply for college and for scholarships. We work with the Mexican Consulate to administer scholarships to immigrant families.

HEALTH INITIATIVES

Health Initiatives are fundamental to family success and bring healthy living education, activities, and resources to our residents and the community.

- We connect residents to local health resources, in addition to on-site programming: free health fairs, exercise classes (Zumba to yoga), healthy food pantries, gardens, support groups for substance abuse and recovery, and bilingual nutrition and cooking classes.
- Insure Central Texas has enrolled more than 15,000 people in marketplace insurance enrollment under the Affordable Care Act; Community Health Workers and Navigators help patients with complicated medical conditions (cancer, AIDS) find plans that work with their medical providers.
- Green Initiatives are engaged from construction through instruction; whole families benefit from healthier products and cost savings. As lifetime owners of our properties, we create the greenest homes possible, using solar panels and other features to save money in the long run.

FOUNDATION COMMUNITIES

We have an active board made up of residents and community leaders. Staff members are drawn from a wide variety of cultures and skills. The common thread: commitment to Foundation Communities' mission and to serving the community.

Community volunteers tutor students, serve as scholarship mentors, prepare taxes, work as financial coaches, and prepare "Welcome Home" baskets and supper club meals for Foundation Communities' residents.

Financing is fully diversified and, as much as possible, sustainable. 80% of our \$35 million budget comes from apartment rentals. The rest is grants and individual donations. We receive grants from governmental sources (federal, state, county, city), foundations, and corporations. Individual donors include "Homebuilders," who make multi-year pledges.

Executive Director

1997-Present

Foundation Communities
Austin, TX

- Leads the development and growth of Foundation Communities in pursuit of our mission to create housing where families succeed.
- Ensures that FC is a financially self-reliant organization with low debt. 80% of our operating budget is covered by rental income and the balance is raised from a diverse base of institutional investors and individual donors. Oversees annual fundraising of over \$6 million.
- Provides leadership of our growing portfolio of 3,000 units with a market value of over \$200 million. We have a staff of more than 350, an annual operating budget of over \$30 million, and current real estate development projects of over \$100 million.
- Led the creation and funding of 15 new affordable housing communities, overcoming numerous “not in my backyard” opposition efforts.
- Developed our supportive housing model for extremely low income and homeless single adults. We provide a home and wraparound services for 600 SRO residents.
- Maintains green building as a top priority—FC is the largest private producer of solar power in the region.
- Launched our first learning center in 2004, which today has grown to ten centers and over 700 students in free afterschool academic programs. Learning centers have become the heart of each community and offer pre-k, elementary, teen and adult programming.
- Created an array of health programs for residents and surrounding neighborhoods, ranging from Zumba to psychiatric nurse teams and everything in between.
- Created our “Community Financial Centers,” which offer free tax prep (over 30,000 returns and \$45 million in refunds), IDA savings accounts, college financial aid, financial coaching, and health insurance enrollment (over 11,000 clients enrolled in the last two years).

Private Consultant

1992-1994

Austin, TX

- Worked with fifteen nonprofit and public affordable housing clients on a variety of projects. Raised over \$8.5 million in subsidy funds for the development of 446 units in both urban and rural settings.
- Facilitated the sale and financing of four communities (871 units / \$9.2 million in value) from the Resolution Trust Corporation to non-profit owners.
- Designed a Neighborhood Energy Conservation Program for Dallas Habitat for Humanity.
- Wrote three technical reports for the U.S. Department of Health and Human Services on financial management issues for grantees of the Ryan White Care Act.

Flood Plain Map

Mueller Apts - Parcel# 0218170201

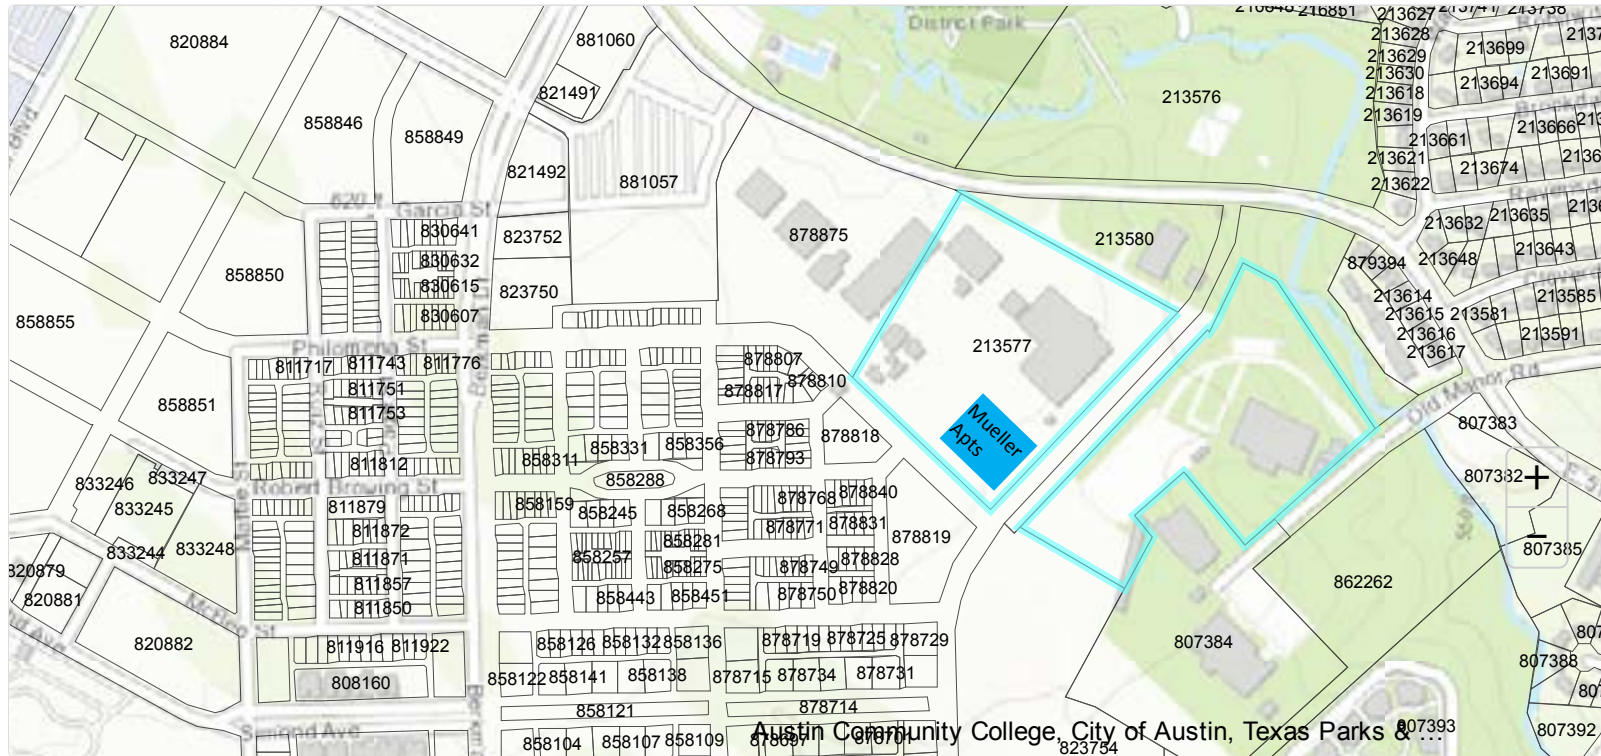

This custom map was created with FloodPro and is for informational purposes only. It is not intended for or suitable for legal, engineering, or surveying purposes. It does not represent on-the-ground survey and represents only the approximate relative locations of property boundaries. No warranty is made by the City of Austin regarding the specific accuracy or completeness of the map. Final determination of floodplain status for a property must be based on topographic survey by a Texas registered professional. For regulatory purposes, floodplain elevations must be determined from an engineering model created in accordance with the Drainage Criteria Manual and approved by the City of Austin.
