Additional Backup Information					
If approved, a resolution of support from the Austin City Council will be included with Low Income Housing Tax Credit (LIHTC) Application Number <u>17272</u> to be submitted by Saigebrook Development, LLC, or an affiliated entity, to the Texas Department of Housing and Community Affairs (TDHCA) for the proposed Elysium Grand Apartments. The property is located in District 7. For developments proposed within a municipality, an application will receive the maximum amount of scoring points in the category of “Local Government Support” if it includes a resolution from the governing body of the municipality expressly supporting the tax credit application. An application will score fewer points if the municipality provides a resolution stating that it has “no objection” to the tax credit application. <u>Information about the proposed development is attached</u>, and staff recommends approving a resolution supporting the tax credit application. LIHTC applications are due to TDHCA on March 1, 2017.
