## RE: Protection of Church Property Rights

Dear fellow Christians,

We are seeking your support in protecting church property rights. We have been a local church in Austin located at 2530 S. Congress Avenue since 1976. Land developers plan to build a hotel next to our church property. They are requesting from the City of Austin government (City Hall) two waivers to the city code in order to develop the land (and will be requesting a third waiver to serve alcohol) closer to our property than is currently allowed. Under our current zoning, the city code protects the church by requiring the proposed hotel not to develop land or sell alcohol within a certain distance from our property.

The land developer's three waivers are as follows:

1. Alcohol: City code states that alcohol may not be sold within 300 feet of a church. The developers are requesting this code be waived so the hotel can sell beer and wine to its guests within 300 feet of our adjoining church property.
2. Driveway: City code states that a driveway may not be closer than 15 feet from an adjoining property. The developers are requesting this code be waived so they can construct a driveway 5 feet from our adjoining church property.
3. Swimming pool: City code states that a swimming pool may not be constructed 50 feet or less from an adjoining property. The developers are requesting this code be waived so they can construct a swimming pool 28 feet from our adjoining church property.

We are asking you to help us by signing this form stating that you object to the city waiving our church property rights.

Why sign? By signing, you will help protect churches' property rights from being waived by city government.

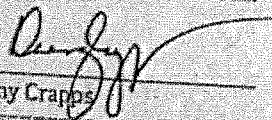

No liability. By signing, you are not incurring any liability in any way.

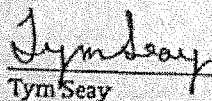

What is my future involvement? By signing, you will not have any further obligation.

Please help us protect church property rights.

## Asunto: Protección de los derechos de propiedad de la iglesia

Estimados hermanos en Cristo,

18 de junio, 2016

Estamos solicitando su ayuda para proteger los derechos de propiedad de la iglesia. Somos una iglesia local en Austin, reuniéndonos en 2530 S. Congress Avenue desde 1976. Recientemente un grupo de promotores inmobiliarios ha estado planeando construir un hotel adyacente a nuestra propiedad. Ellos están/estarán solicitando al gobierno de la ciudad de Austin tres exenciones al código de la ciudad para proceder con sus planes de desarrollo y poder servir bebidas alcohólicas más cerca de nuestra propiedad de lo que actualmente es permitido. Conforme a los reglamentos de zonificación actual de nuestra propiedad, el código de la ciudad protege a la iglesia al requerir que el hotel que se está proponiendo construir no haga planes de desarrollo de propiedad, ni venda bebidas alcohólicas, a una determinada distancia de nuestra propiedad.

Las tres exenciones que el grupo de promotores inmobiliarios están pidiendo son las siguientes:

- 1. Servir bebidas alcohólicas:** El código de la ciudad declara que bebidas alcohólicas no se podrán vender a una distancia menor de 300 pies de una iglesia. Los promotores inmobiliarios están pidiendo que este código sea pasado por alto para permitirle al hotel que venda cerveza y vino a sus huéspedes a una distancia menor de 300 pies de la propiedad de nuestra iglesia.
- 2. Entrada de automóviles:** El código de la ciudad declara que una entrada de automóviles no puede estar a menos de 15 pies de una propiedad contigua. Los promotores inmobiliarios están pidiendo que este código sea pasado por alto para que ellos puedan construir una entrada de automóviles a 5 pies de la propiedad de nuestra iglesia.
- 3. Piscina:** El código de la ciudad declara que una piscina no puede ser construida a 50 pies o menos de una propiedad contigua. Los promotores inmobiliarios están pidiendo que este código sea pasado por alto para que ellos puedan construir una piscina a 36 pies de la propiedad de nuestra iglesia.

Le estamos pidiendo a usted que nos ayude al firmar esta carta para declarar que usted también se opone a que la ciudad pase por alto nuestros derechos de propiedad de la iglesia.

**¿Por qué firmar?** Al firmar, usted estará ayudando a que los derechos de propiedad que las iglesias tienen, no sean pasados por alto por el gobierno de la ciudad.

**Sin responsabilidad para usted.** Al firmar, usted de ninguna manera estará incurriendo en alguna responsabilidad.

**¿Cuál es mi futura participación?** Al firmar, usted no tendrá ninguna obligación futura en este asunto.

**Por favor ayúdenos a proteger los derechos de propiedad de la iglesia.**

Recientemente un grupo de promotores inmobiliarios ha estado planeando construir un hotel adyacente a nuestra propiedad. Ellos están/estarán solicitando al gobierno de la ciudad de Austin tres exenciones al código de la ciudad para proceder con sus planes de desarrollo y poder servir bebidas alcohólicas más cerca de nuestra propiedad de lo que actualmente es permitido. Conforme a los reglamentos de zonificación actual de nuestra propiedad, el código de la ciudad protege a la iglesia al requerir que el hotel que se está proponiendo construir no haga planes de desarrollo de propiedad, ni venda bebidas alcohólicas, a una determinada distancia de nuestra propiedad.

Las tres exenciones que el grupo de promotores inmobiliarios están pidiendo son las siguientes:

- 1. Servir bebidas alcohólicas:** El código de la ciudad declara que bebidas alcohólicas no se podrán vender a una distancia menor de 300 pies de una iglesia. Los promotores inmobiliarios están pidiendo que este código sea pasado por alto para permitirle al hotel que venda cerveza y vino a sus huéspedes a una distancia menor de 300 pies de la propiedad de nuestra iglesia.
- 2. Entrada de automóviles:** El código de la ciudad declara que una entrada de automóviles no puede estar a menos de 15 pies de una propiedad contigua. Los promotores inmobiliarios están pidiendo que este código sea pasado por alto para que ellos puedan construir una entrada de automóviles a 5 pies de la propiedad de nuestra iglesia.
- 3. Piscina:** El código de la ciudad declara que una piscina no puede ser construida a 50 pies o menos de una propiedad contigua. Los promotores inmobiliarios están pidiendo que este código sea pasado por alto para que ellos puedan construir una piscina a 36 pies de la propiedad de nuestra iglesia.

Le estamos pidiendo a usted que nos ayude al firmar esta carta para declarar que usted también se opone a que la ciudad pase por alto nuestros derechos de propiedad de la iglesia.

¿Por qué firmar? Al firmar, usted estará ayudando a que los derechos de propiedad que las iglesias tienen, no sean pasados por alto por el gobierno de la ciudad.

Sin responsabilidad para usted. Al firmar, usted de ninguna manera estará incurriendo en alguna responsabilidad.

¿Cuál es mi futura participación? Al firmar, usted no tendrá ninguna obligación futura en este asunto.

Por favor ayúdenos a proteger los derechos de propiedad de la iglesia.

## Asunto: Protección de los derechos de propiedad de la iglesia

Estimados hermanos en Cristo,

18 de junio, 2016

Estamos solicitando su ayuda para proteger los derechos de propiedad de la iglesia. Somos una iglesia local en Austin, reuniéndonos en 2530 S. Congress Avenue desde 1976. Recientemente un grupo de promotores inmobiliarios ha estado planeando construir un hotel adyacente a nuestra propiedad. Ellos están/estarán solicitando al gobierno de la ciudad de Austin tres exenciones al código de la ciudad para proceder con sus planes de desarrollo y poder servir bebidas alcohólicas más cerca de nuestra propiedad de lo que actualmente es permitido. Conforme a los reglamentos de zonificación actual de nuestra propiedad, el código de la ciudad protege a la iglesia al requerir que el hotel que se está proponiendo construir no haga planes de desarrollo de propiedad, ni venda bebidas alcohólicas, a una determinada distancia de nuestra propiedad.

Las tres exenciones que el grupo de promotores inmobiliarios están pidiendo son las siguientes:

- 1. Servir bebidas alcohólicas:** El código de la ciudad declara que bebidas alcohólicas no se podrán vender a una distancia menor de 300 pies de una iglesia. Los promotores inmobiliarios están pidiendo que este código sea pasado por alto para permitirle al hotel que venda cerveza y vino a sus huéspedes a una distancia menor de 300 pies de la propiedad de nuestra iglesia.
- 2. Entrada de automóviles:** El código de la ciudad declara que una entrada de automóviles no puede estar a menos de 15 pies de una propiedad contigua. Los promotores inmobiliarios están pidiendo que este código sea pasado por alto para que ellos puedan construir una entrada de automóviles a 5 pies de la propiedad de nuestra iglesia.

Los promotores inmobiliarios están pidiendo que este código sea pasado por alto para que ellos puedan construir una piscina a 36 pies de la propiedad de nuestra iglesia.

## RE: Protection of Church Property Rights

Dear fellow Christians,

We are seeking your support in protecting church property rights. We have been a local church in Austin located at 2530 S. Congress Avenue since 1976. Land developers plan to build a hotel next to our church property. They are requesting from the City of Austin government (City Hall) two waivers to the city code in order to develop the land (and will be requesting a third waiver to serve alcohol) closer to our property than is currently allowed. Under our current zoning, the city code protects the church by requiring the proposed hotel not to develop land or sell alcohol within a certain distance from our property.

The land developer's three waivers are as follows:

- 1. Alcohol:** City code states that alcohol may not be sold within 300 feet of a church. The developers are requesting this code be waived so the hotel can sell beer and wine to its guests within 300 feet of our adjoining church property.
- 2. Driveway:** City code states that a driveway may not be closer than 15 feet from an adjoining property. The developers are requesting this code be waived so they can construct a driveway 5 feet from our adjoining church property.
- 3. Swimming pool:** City code states that a swimming pool may not be constructed 50 feet or less from an adjoining property. The developers are requesting this code be waived so they can construct a swimming pool 28 feet from our adjoining church property.

We are asking you to help us by signing this form stating that you object to the city waiving our church property rights.

**Why sign?** By signing, you will help protect churches' property rights from being waived by city government.

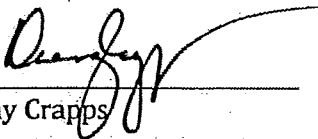

**No liability.** By signing, you are not incurring any liability in any way.

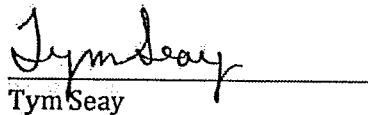

**What is my future involvement?** By signing, you will not have any further obligation.

**Please help us protect church property rights.**

Sincerely,

Elders of The Church in Austin

## RE: Protection of Church Property Rights

Dear fellow Christians,

We are seeking your support in protecting church property rights. We have been a local church in Austin located at 2530 S. Congress Avenue since 1976. Land developers plan to build a hotel next to our church property. They are requesting from the City of Austin government (City Hall) two waivers to the city code in order to develop the land (and will be requesting a third waiver to serve alcohol) closer to our property than is currently allowed. Under our current zoning, the city code protects the church by requiring the proposed hotel not to develop land or sell alcohol within a certain distance from our property.

The land developer's three waivers are as follows:

- 1. Alcohol:** City code states that alcohol may not be sold within 300 feet of a church. The developers are requesting this code be waived so the hotel can sell beer and wine to its guests within 300 feet of our adjoining church property.
- 2. Driveway:** City code states that a driveway may not be closer than 15 feet from an adjoining property. The developers are requesting this code be waived so they can construct a driveway 5 feet from our adjoining church property.
- 3. Swimming pool:** City code states that a swimming pool may not be constructed 50 feet or less from an adjoining property. The developers are requesting this code be waived so they can construct a swimming pool 28 feet from our adjoining church property.

We are asking you to help us by signing this form stating that you object to the city waiving our church property rights.

**Why sign?** By signing, you will help protect churches' property rights from being waived by city government.

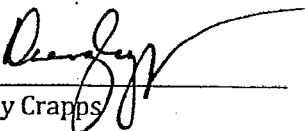

**No liability.** By signing, you are not incurring any liability in any way.

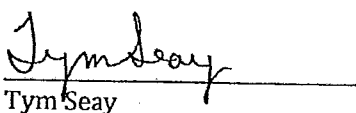

**What is my future involvement?** By signing, you will not have any further obligation.

**Please help us protect church property rights.**

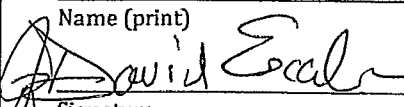

Sincerely,

Under our current zoning, the city code protects the church by requiring the proposed hotel not to develop land or sell alcohol within a certain distance from our property.

The land developer's three waivers are as follows:

- 1. Alcohol:** City code states that alcohol may not be sold within 300 feet of a church. The developers are requesting this code be waived so the hotel can sell beer and wine to its guests within 300 feet of our adjoining church property.
- 2. Driveway:** City code states that a driveway may not be closer than 15 feet from an adjoining property. The developers are requesting this code be waived so they can construct a driveway 5 feet from our adjoining church property.
- 3. Swimming pool:** City code states that a swimming pool may not be constructed 50 feet or less from an adjoining property. The developers are requesting this code be waived so they can construct a swimming pool 36 feet from our adjoining church property.

We are asking you to help us by signing this form stating that you object to the city waiving our church property rights.

**Why sign?** By signing, you will help protect churches' property rights from being waived by city government.

**No liability.** By signing, you are not incurring any liability in any way.

## RE: Protection of Church Property Rights

Dear fellow Christians,

We are seeking your support in protecting church property rights. We have been a local church in Austin meeting at 2530 S. Congress Avenue since 1976. Land developers plan to build a hotel next to our church property. They are/will be requesting from the City of Austin government three waivers to the city code in order to develop the land and serve alcohol closer to our property than is currently allowed. Under our current zoning, the city code protects the church by requiring the proposed hotel not to develop land or sell alcohol within a certain distance from our property.

The land developer's three waivers are as follows:

- 1. Alcohol:** City code states that alcohol may not be sold within 300 feet of a church. The developers are requesting this code be waived so the hotel can sell beer and wine to its guests within 300 feet of our adjoining church property.
- 2. Driveway:** City code states that a driveway may not be closer than 15 feet from an adjoining property. The developers are requesting this code be waived so they can construct a driveway 5 feet from our adjoining church property.
- 3. Swimming pool:** City code states that a swimming pool may not be constructed 50 feet or less from an adjoining property. The developers are requesting this code be waived so they can construct a swimming pool 36 feet from our adjoining church property.

We are asking you to help us by signing this form stating that you object to the city waiving our church property rights.

**Why sign?** By signing, you will help protect churches' property rights from being waived by city government.

**No liability.** By signing, you are not incurring any liability in any way.

**What is my future involvement?** By signing, you will not have any further obligation.

**Please help us protect church property rights.**

Sincerely,
