Working Groups

Proposed - C&D Ordinance Working Group: to consider issues of qualified materials processors that do or do not accept materials from other private haulers and the ability of those private haulers to comply with the C&D ordinance and its reporting duties given the lack of processors currently accepting material. The goal of this group is to develop policy recommendations to the full commission that address these concerns with the intent of increasing the effectiveness of the C&D ordinance.

Special Liaison

Commissioner Kendra Bones will serve as ZWAC liaison to the City of Austin Sustainability Office.
