

Re: Board of Adjustment Case C15-2017-0018, 1301 West Koenig Lane

The Brentwood Neighborhood Association voted on April 5, 2017 to support these specific variance requests pertaining to the redevelopment at 1301 West Koenig Lane:

1. The compatibility setback on the Grover frontage, which is across the street from the McCallum High School (zoned SF-3, which is triggering the setback). No waivers are supported for the Woodrow frontage.
2. We support the height variance to 45' because of flooding concerns expressed by City of Austin Staff.
3. We support the variance to build higher fencing along the boundary with the single-family housing on Woodrow.

Comments: I'm concerned about an apartment complex being built if that is what is being proposed. Due to the traffic and additional competition this will bring to the area.
