

MOTION SHEET

(Changes underlined)

Suggested Script:

I move to amend ~~page 19 of~~ the Strategic Housing Plan, under the “Key Actions to Support Community Values”

- Add additional language
- **Language:** Achieving the aggressive community goals outlined in the Plan will require the continuation of existing funding, as well as significant new funding, new regulations, new programs, new and deeper partnerships and collaborations with non-profit organizations, legislative changes, land development code changes, and participation from the private sector at a level not previously experienced in Austin.
