## MOTION SHEET

**Suggested Script:**

I move to change the second be it resolved clause as follows:

**BE IT FURTHER RESOLVED:** In establishing a multi-year Implementation Plan, the City Manager is directed to develop a detailed plan for the initial two years with a higher level plan for the remaining eight years. On an annual basis, the City Manager must update the Implementation Plan with a specific, detailed plan to be developed for each subsequent two year period, including mechanisms for monitoring and evaluating success, necessary funding and resources. The update of the Implementation Plan will align with the annual end of year reporting as laid out in the Austin Strategic Housing Plan.
