

## Appendix A

(Parks and Recreation Board CodeNEXT resolution)

| Topic   | Issue   | Proposed Change   |
|---|---|---|
| 1. Parkland Dedication 2016 Ordinance remains                                       | Title 25 - 25-1-601 through 609   | No changes (See current 23-3B)  |
| 2. Compatibility standards for Parks  | Downtown Parks standards for Glazing and Parking (23-4D-7050 (B))   | Apply 23-4D-7050 (B) to all Parks city wide.  |
| 3. Permit passive parks and preserves without a Conditional Use Permit in all Zones | Title 25 allows Park/Playground by right if they are less than 1 acre in size. If they are more than one acre in size, a Conditional Use Permit is required regardless of facilities being constructed.   | <p>Ensure that passive parks (currently termed Park/Playground) are a Permitted Use in every Zone. (Permitted) (See various use types in Zones in 23-4D)</p> <p>Zone passive Parks into the newly created Open Space Zone and do not require a Conditional Use Permit, regardless of size.</p> <p>Continue to classify intense park uses (swimming pools, multiple courts and fields, recreation centers, etc) as Public (P) uses, regardless of size, however and continue to require a Conditional Use Permit.</p>      |
| 4. Clarify standards and terms for Open Spaces in the Code                          | <p>Re-organize Open Space and Recreation Land Uses so that they are not duplicative throughout the Code.</p> <p>Re-examine the standards set forth in 23-4C-2 Civic and Open Spaces. (Applies to Transect Zoning) The term “civic” and “open space” are used interchangeably. Change the term.</p> <p>Determine the purpose Sections 23-4C-2050 through 23-4C-2170.</p> <p>Remove PARD Designations so that changes to the Parks Long Range Plan do not require code changes.</p> | <p>In 23-2M-1030 define Open Space. In 23-2M-2030 create Recreation Land Uses. Define standards for passive recreation in the Open Space Zone of 23-4D-6110.</p> <p>In 23-4C-2 Civic and Open Spaces, delete the transect bar from all photograph pages so that all park types are allowed in all Transects.</p> <p>Delete Sections 23-4C-2050 through 23-4C-2170; or revise the Size and Location portions to clarify open space standards for street frontage; minimum widths; minimum pervious cover; and parking.</p> |
