To Whom It May Concern:

Our family resides at 905 Willow Street. We have lived there for the past 13 years. Our neighbor, Jillian Blackwell, who lives right next door to us at 903 Willow Street, has informed us that she plans to build a granny flat in the garage area of her property. We have no issues with this. She has our support in moving forward with these plans.

You may call or email us if you have further questions or concerns.

Thank you,

Rafael & Sharon Briceño
