

City of Austin Commission for Women

TOP INITIATIVES OF 2017-18

In order to articulate our top initiatives and ensure that we achieve our goals by next April 2018, the Commission for Women has identified these primary focal points to address:

- ~ Equity Resolution | Receive COA Equity Pay Study and Listening to the Workforce. Identify pay wage gaps, gender disparities, current policies within the COA and jointly submit recommendations with Human Rights Commission (*Working group established*)
- ~ Rape Kit backlog | Continue to examine DNA lab operations and hold APD accountable to resolving backlog and sexual assault victim treatment (*Working group established*)
- ~ Women's Hall of Fame 2018 | Ceremony and recipient management (*Working group established*)
- ~ Child/Women Sex Trafficking | Commission to consider possible action on this topic based on community needs (*potentially requires a working group formation*)
- ~ Stay as involved as possible in the hiring of the City Manager and APD Chief in correspondence with the Commission's Recommendation regarding the position requirements
