Additional Backup Information

Approval of this interlocal agreement with the City of Grand Prairie, Texas will allow the City and the City of Grand Prairie, to participate in the purchase of various types of goods and services through the use of contracts already in place through each jurisdiction's purchasing processes.

The ability to share competitive contracts between jurisdictions assists each to accomplish acquisitions more efficiently. Aggregating demand with other jurisdictions should result in reduced unit prices for requirements because of increased volume. This interlocal allows the City to take a lead role in cooperative contracting for other jurisdictions.

City purchases exceeding the City Manager's authority (currently \$58,000 Fiscal Year 2017) will be brought forward for Council approval on a case-by-case basis prior to ordering the product or services.

This agreement is entered into under the provisions of the Interlocal Cooperation Act, Chapter 791, Texas Government Code.
