Regarding: Signatures to the Interlocal Agreement for a Contract for Services.

City Manager Hart-

On May 23rd, 2017 the Board of Commissioners for Travis County Emergency Services District 4 voted unanimously to enter into an Interlocal Agreement (ILA) between the City and ESD 4 for a Contract for Services for the provision of emergency services to the ESD territories.

The Board's vote and approval are based on the document created by the City and presented to the ESD on May 15, 2017, titled INTERLOCAL AGREEMENT BETWEEN TRAVIS ESD 4 EMERGENCY SERVICES DISTRICT #4 AND CITY OF AUSTIN FOR FIRE SERVICES. Any substantive revisions made to the ILA, including the exhibits, beyond an insubstantial grammatical or typographical edit, will be cause for an additional review by the ESD Board.

We are pleased an agreement could be reached and do very much appreciate the efforts of your staff and the Austin Fire Department to make such an agreement possible.

Please anticipate our full support when this is presented to the Council for their ultimate approval.

Peter Torgimson, President

Travis County Emergency Services District 4
