

ELECTRIC BOARD RECOMMENDATION 2017-06-21

3b is the agenda item number

Date: June 21, 2017

Subject: Board supports the adoption of the 2017 National Electrical Code with local amendments.

Recommendation(s)

3b) The Board recommends the City Council approve the adoption of the 2017 National Electrical Code (NEC) with local amendments.

Description of Recommendation to Council

The Electric Board recommends adopting the 2017 NEC which provides a national standard for electrical installations for residential, commercial, and industrial buildings and structures. The proposed ordinance establishes amendments to address local installations, and to comply with the State Electrical Law and the State's adopted National Electrical Code.

Rationale:

The Board consists of stakeholders and business owners in the community and believe the 2017 NEC continues to provide safety standards and guidelines for all electric installations.
