Subject: Armadillo Park NA on the Zoning Case C14-2017-0064 6705 1/2 Emerald Forest Drive

Hi Wendy.

Representatives from the Armadillo Park Neighborhood Association had a very productive meeting with Vince Huebinger this evening about the zoning case cited above.

We do, however, have a few unanswered questions to follow up on, so we respectfully request that the case be postponed until the Planning Commission's August 22 meeting.
