**Additional Backup Information**

If approved, Neighborhood Housing and Community Development will submit a one-year City Action Plan to the U.S. Department of Housing and Urban Development (HUD) on behalf of the City of Austin. The Action Plan serves as the City's application to receive HUD formula grants for Fiscal Year 2017-2018.

In Fiscal Year 2017-2018, the City expects to receive continued federal funding through four HUD formula grants: Community Development Block Grant (CDBG), HOME Investment Partnerships Program (HOME), Emergency Solutions Grant (ESG), and Housing Opportunities for Persons with AIDS (HOPWA). In order to receive these HUD grants, the City must submit an annual Action Plan that provides an overview of the community needs, resources, priorities, and proposed activities with regard to housing, community development, economic development, and public services.

The requested action is in accordance with the City's Citizen Participation Plan (CPP), which sets forth the City's policies and procedures for citizen participation in the development of each annual Action Plan and Community Development Program. As required by the CPP and Texas Local Government Code Chapter 373, the steps for public participation include four total public hearings during the formation of the Action Plan and Program: two before the Austin City Council and two before the Community Development Commission (CDC). There is also a 30-day comment period on the draft Action Plan and Program.

The two initial public hearings are conducted to receive input on the community's needs and service gaps. The public hearing before the CDC was held on April 11, 2017, and the public hearing before the Austin City Council was conducted on April 20, 2017.

The draft Action Plan and Community Development Program was made available for public comment on May 23, 2017. During the 30-day comment period, two additional public hearings were conducted to receive input on the draft plan and Program, one before the CDC and one before the Austin City Council. The Action Plan is due to HUD on or before August 16, 2017.
