Additional Backup Information
The City of Austin, City Council initiated Resolution 20170608-037 on June 8, 2017. The ordinance amends the Land Development Code, Chapters 25-10, relating to the regulation of signs. The purpose of this update is to remove all references to "content" for noncommercial and on-premise signs, while retaining existing levels of restriction on the size, number, and location of signs. The ordinance also updates existing definitions and adds provisions adapted from other municipal sign codes. Staff recommends approval of the ordinance.
