My name is Nicole Sichette and I live at 1215 W Slaughter Ln APT 113. I am writing this to object against the building of the medical office center in front of Iron Rock Ranch. I might just be a renter and not having to make this my permanent resident but this does raise some concerns. There are plenty of space to build a medical center where else and plenty of office vacant as well. I don't think this is the best place for medical center to be built due to the fact that there's an elementary school across the street. I can see a lot of unsafe incidents happening with that. It would also make it difficult for the Iron Rock Ranch residents with the added of unnecessary traffic.

Thank you,

Nicole Sichette
