TO SUPPORT A SAFER
ENVIRONMENT**

SAFEHORNS.ORG:

- Created a list of safety change requests to UT Austin after the murder of UT student Haruka Weiser, these changes were also matched by data collected in DPS Assessment.
- Advocated to the City of Austin to include the newly created HOST (Homeless Outreach Street Team) to include West Campus. This pilot program intended for Downtown Austin/Entertainment District now serves West Campus two days a week.
- Through safety partner University Co-op, held its 1st annual West Campus National Night Out October 2016 which received a Crime Prevention Award.

SAFEHORNS.ORG:

- Researched and advocated for Golf Carts on the UT Campus for a safe late night option home. Former UT Student Body President and creator of SUREWALK, Paul Begala donated the carts to begin this service.
- Has donated in support of the first UT Austin Food Pantry/Career Closet to provide a hand up to students in need.
- Has advocated for the City of Austin and Austin Energy to provide a luminosity study for West Campus. To then make changes as necessary to create a well-lit neighborhood.

SAFEHORNS.ORG:

- Is proud to create relationships with many stakeholders to create positive sustainable change on and around UT Austin. We are grateful for the support and friendship of UT Student Government, Dean of Students, UTPD, APD, Downtown Austin Alliance, Downtown Community Court, Greater Austin Crime Commission, City of Austin, DobieTwenty21, UFCU, Jamba Juice, C. Jane, Kendra Scott, American Campus Properties, HEB, University Co-op, KXAN, FOX, KVUE and CBS news to name a few.
