Subject: C14-2017-0067 Postponement Request - August 15, 2017 ZAP Hearing

2222 Coalition of Neighborhood Associations (2222 CONA) requests postponement of the Zoning and Platting Commission August 15, 2017 hearing of Case Number C14-2017-0067, Champion Tract 1C, to the September 5, 2017 Commission meeting.

We are in discussion with the applicant on a possible private restrictive covenant between the applicant and the neighborhoods regarding this rezoning application. We request the additional time to allow this to proceed. The applicant has indicated to us that this postponement is acceptable.

2222 CONA is a Texas non-profit corporation representing the interests of homeowner associations and neighborhood associations in the area of the subject property. This property is within our defined area of interest.

If you have any questions regarding this request, please contact me via telephone at 512-338-4722 or via email at.
