Thanks for planning to be there tonight, Greg.
Yes, all members have received previous case back up and that info has also been uploaded to Board website as back up for tonight's hearing.
We have 2 new alternates serving tonight and 1 new full member serving tonight that are new since original appeal was heard.

Hi Leanne:

I'll be there tonight. Has the Board received copies of the previous back-up material? How many members are new to the Board since the public hearing?

Hi Leane. I do not believe either party will be in attendance Monday, but please provide the following written update to the BOA with regard to where we stand with permit submittals in accordance with the private agreement between the parties:

Last week the Church submitted building permit applications to the City of Austin for construction of the agreed upon sound mitigation improvements. The Church is in the process of obtaining the necessary permits and then building the sound mitigation improvements. The requested postponement is to allow the Church time to obtain permits and build the sound mitigation improvements, pursuant to the agreement

between the Church and the HOAs.

Thanks,
M

Leane - please see below and the attached letter. Both parties agree to postpone the Aug 14 item to Jan 8, 2018. I have copied Mr Kleeman for reference. Please provide the attached letter to the board to update them on our progress and the need to postpone to obtain the required permits. We hope those permits can be obtained by the end of the year.
