Additional Backup Information

In response to the ongoing crisis along the Texas Gulf Coast, the City is preparing to accept up to 7,000 Hurricane Harvey evacuees. The City intends to establish two to three large shelters to provide temporary shelter, and 7000 Metropolis Drive has been identified as a potential site for one of the shelters. The Office of Real Estate Services has negotiated a short-term sublease of a portion of the facility for such purposes.

The proposed 30-day sublease of 64,000 square feet at 7000 Metropolis Drive is a modified gross sublease for \$53,120 per 30 days. The proposed sublease includes seven (7) individual 30-day options to renew at the same rate. There is no charge for the use of the 320 parking spaces on site. The sublessor will cover all taxes, insurance, and costs for general maintenance, except for damage caused by the City's use. The City would be required to furnish the premises with all telephone service, internet service, window washing, janitorial service, garbage, recycling, disposal services, security services, and all other utilities. The City intends to sublease the space "as-is."

A map of the premises is attached.
