Join Us for a Conversation about Caregiving!

Everyday nearly 3.4 million Texans serve as family caregivers performing a great labor of love: caring for older parents, spouses, and other loved ones so they can live independently at home. AARP Texas is pleased to welcome Major General Antonio “Tony” Taguba—one of the nation’s foremost advocates for caregivers and veterans—to Austin for a special conversation about the challenges and rewards of being a caregiver. You will also have the chance to connect with other family caregivers and learn about resources available to you.

Dinner will be provided
