## Proposed Audit Plan

### Fiscal Year 2018

*The Office of the City Auditor's mission is to provide audit and investigative services that foster transparency, accountability, and continuous improvement in Austin city government.*

The Office of the City Auditor continuously collects information about risks facing the City from a variety of sources including the City Council, City management, and the public, as well as national and local events that could affect Austin.

The City Auditor assesses this information to identify value added audit topics.

These audit topics are prioritized based on available resources, timing, audit coverage, and other factors and then included in this Audit Plan.
