(6610 McNeil Drive Termination of Restrictive Covenant)

**ADDRESS:** 6610 McNeil Drive/12602 Blackfoot Trail**DISTRICT AREA:** 6**OWNER/APPLICANT:** Abraham Birgani**AGENT:** Shaw Hamilton Consultants (Shaw Hamilton)**EXISTING ZONING:** SF-2, LR-CO**AREA:** 0.57 acres**SUMMARY STAFF RECOMMENDATION:**

The staff recommends the applicant's request for a restrictive covenant termination.

**ZONING AND PLATTING COMMISSION RECOMMENDATION:****DEPARTMENT COMMENTS:**

The applicant is requesting to terminate/remove a restrictive covenant associated with zoning case C14-98-0146 as it applies to the property located at Lot 2 of the Indian Oaks 2 Subdivision. This public restrictive covenant contains language that requires a six foot high wooden fence, limited hours of operation, prohibition of massage parlors, commercial waste pickup from McNeil Road and the installation of nine replacement trees on the property. The applicant would like to delete these conditions that were put in place in 1998 and tied to the deed as he is seeking a rezoning of the property to redevelop the site.

The staff is recommending the applicant's request to terminate this restrictive covenant. The property in question is currently developed with a vacant commercial structure and adjoining single family residence. The site is surrounded by single family residential uses to the north and east and a day care use to the west. The tracts of land to the south, across McNeil Drive, are undeveloped. In 1999, this property was rezoned from SF-1 to SF-2 (Tract 1) and SF-1 to LR-CO (Tract 2) through zoning case C14-98-0146. The applicant is currently requesting a rezoning of this lot to CS-MU, General Commercial Services-Mixed Use Combining district, through zoning case C14-2017-0042. The staff has recommended LR-MU zoning for the entire property because it will create a transition in the intensity of uses away from McNeil Drive to the north and will permit low intensity commercial, office and civic uses that will provide services for residential development to the north and east of the site. The staff is also recommending the deletion of the conditions in this public restrictive covenant as they are not consistent with the staff's recommendation for the rezoning and would inhibit the future redevelopment of the property.

The applicant agrees with the staff's recommendation in this case.
