Back Up Information:

The applicant has met the 180-day requirements and 120-day requirements. The applicant requested the following Rule waivers which were granted:

Section 1.05 The Director will determine whether a Courtesy Advisory Notice for an Event is necessary, and, if required, approve the method of notification.

Section 1.07 The following process shall be followed when preparing and sending a notice of proposed closure on a form prescribed by the Director for an Event required by City Code, Section 14-8-14 (*Notice of Proposed Closure and Signature Requirement*)

Section 2.01 For a Moving Event or one or more substantially simultaneous combinations of Events the following streets may not be completely closed or crossed at grade.

(A) 5th and 6th Streets, from Mopac to IH-35

(B) Lamar Boulevard from West 38th Street to Ben White Boulevard

Section 2.03 Moving Events must not prevent Reasonable Access to a geographic area which would otherwise not have access as a result of the Moving Event.

Section 5.01 No Event or one or more substantially simultaneous combinations of Events may completely close the Ann W. Richards Congress Avenue Bridge and the Drake South First Street Bridge simultaneously.

Section 6.03 Unless approved by the Director, Temporary Traffic Control Devices must not be pre-staged more than 20 hours in advance of an Event.

Notifications: Applicant was required to send notifications along with a Notice of Proposed Closure Form to the affected persons along the new portion of the route. Applicant mailed 5545 letters on June 8, 2017. The Office Special Events received 83 approvals, 17 disapprovals and 1 request for more information. Applicant has contacted all respondents that sent in disapprovals. Additional Postcard notifications will be mailed to all affected persons on the route as well as door hangers closer to the event day.

Recommendations by Austin Transportation Department to the Urban Transportation Commission:

City Staff has no objection to the waiver of the signature requirement as long as the promoter continues to work with individuals who disapprove and provides them with maps of ingress and egress and works to mitigate other concerns.
