I think we needed a clear motion at the end of the backup such as

Motion

Board of Adjustment Code Interpretation filing fees for bona fide neighborhood groups, as listed in the Community Registry, shall be waived. Standard notification fees will still apply, although should the BOA grant the appellant a new, clarified and/or modified interpretation, notification fees shall be refunded to the appellant. (Fee waivers shall not apply to standard variance requests)

Hi Leane – I forgot to ask you this question, so this is more of a heads-up for tomorrow – do we know how many of the interpretation cases we’ve had that will fall under the conditions we’re proposing? I.e., how many neighborhood associations, etc., brought cases?

Thanks,
William

Hi William and Bryan – if you have anything that you'd like the staff to add to their late back up packet for tomm's Comm. meeting they can do so up until 2pm today – otherwise they're fine with you bringing it to the meeting (5 sets) and on a share drive for projecting.
