NOTES ON HISTORIC LANDMARK COMMISSION MEETINGS

1. The first speaker signed up for each side of a contested public hearing will be allowed up to 5 minutes to speak. Any further speakers will be allowed up to 3 minutes. The Commission does not allow for the donation of time. The first speaker may have a rebuttal after the conclusion of testimony of up to 3 minutes. Speakers should not repeat the testimony previously given on any case.
2. Cases passed by the Commission on the consent agenda will not have a formal public hearing. If a citizen would like to speak on a case proposed for passage on the consent agenda, that person should make it known to the Chair of the Commission at the time of the reading of the agenda. Otherwise, the case will pass on consent, and there is no later recourse.
3. In cases involving the review of demolition or relocation permit applications, the Commission may initiate a historic zoning case to further study the evidence regarding the potential of the subject property for landmark designation. If the Commission initiates a historic zoning case, the Commission will review the case again at its next regularly-scheduled meeting for a recommendation regarding historic zoning. There will be no new notification sent out by the City stating the next hearing date - it is considered tantamount to a postponement to a date certain.
