Additional Backup Information:

The East 11th and 12th Street Urban Renewal Plan (URP) was adopted by Council on January 14, 1999 and went into effect on January 25, 1999, in accordance with Section 374.014, Texas Local Government Code. The URP defines the official public policy guidelines of the City of Austin for the redevelopment of the East 11th and 12th Streets Urban Renewal Area and is an integral part of the Central East Austin Master Plan.

This tenth modification proposes to amend site development standards for the properties located on the south side of East 12th Street between Comal Street and Chicon. The area added in the Planning Commission's March 2016 zoning initiation (the south side of East 12th Street between Chicon and Poquito and 1425 East 12th Street) was not included in the final recommendation by the Planning Commission.

This tenth modification to the URP also has a related City-initiated zoning case (Case # C14-2017-0092) to amend the East 12th Street Neighborhood Conservation Combining District (NCCD).

Chronology of Actions:

October 19, 2015 Urban Renewal Agency Recommendation
