PART 2. DEFINITIONS.

DIRECTOR means the Director of the City of Austin Emergency Medical Services Department.

GRANTEE means Acadian Ambulance Service, Inc., a Louisiana corporation authorized to do business in Texas.

MEDICAL TRANSFER SERVICE has the meaning prescribed in Chapter 10-2 of the City Code.

PUBLIC RIGHT- OF- WAY means the surface of a public street, highway, lane, path, alley, sidewalk, boulevard, drive, bridge, tunnel, easement or similar property in which the City holds a property interest or exercises rights of management or control and which, consistent with the purposes for which it was acquired or dedicated, may be used for the operation of a medical transfer service.

PART 3. GRANT OF A FRANCHISE.

The Council grants to Acadian ("Grantee") the nonexclusive right and privilege to operate a medical transfer service on the public right of way of the City subject to this Part:

- (A) If Grantee accepts this Franchise, it shall, not later than 20 days after the adoption of this ordinance, file with the City Clerk a letter acknowledging and accepting the provisions of this Franchise, and agreeing to be bound by the terms of this Franchise.
- (B) The Grantee shall execute or cause to be executed all legal documents, insurance certificates, and performance bonds required by the City. The documents are subject to review and approval by the City Attorney.
- (C) The term of this Franchise begins on February 6, 2018, and expires on the fifth anniversary of that date unless terminated in accordance with this Franchise.
- (D) A reference in this Franchise to a Public Right -of -Way is not a representation or guarantee by the City that its interests or other rights in property are sufficient to permit its use for the operation of a medical transfer service and the Grantee will gain only those rights which the City has the right and power to give.

PART 4. EXTENSION OF FRANCHISE.

The Grantee may request an extension of the term of this Franchise as provided by the Charter. The request for the extension shall be filed no later than eight months prior to the expiration of the Franchise.

85 **PART 5. TRAINING.**

86
87 The Grantee's employees may attend City in-service training provided to EMS employees
88 at no cost to the Grantee on a space-available basis. The Director may make additional
89 training available to the Grantee's employees on a fee basis.
90

91 **PART 6. EMPLOYEES.**

92
93 The employees and agents of the Grantee may not be the employees, agents, or
94 representatives of the City.
95

96 The City may not direct or control the Grantee's employees and agents in the
97 performance of their duties under this Franchise. The City is not liable for the acts or
98 omissions of the Grantee's employees and agents.
99

100 **PART 7. COMPLIANCE WITH LAW.**

101
102 The Grantee, its employees, and agents shall comply with applicable federal, state and
103 City laws, rules, regulations, codes, and other requirements in connection with the
104 operation of the medical transfer service and the confidentiality of patient information.
105

106 **PART 8. RATES AND CHARGES FOR SERVICE**

107
108 The City Council may, after notice and hearing, regulate by ordinance the rates, charges,
109 and fares the Grantee charges for services provided under this Franchise.
110

111 **PART 9. COMPENSATION TO THE CITY.**

112
113 The Grantee shall pay to the City as compensation during each year of this Franchise, a
114 Franchise fee as provided by Chapter 10-2 of the City Code, as amended from time to
115 time. The compensation is in addition to all special assessments and ad valorem taxes.
116

117 **PART 10. CITY'S RIGHT TO PURCHASE.**

- 118
119 (A) The City may purchase the Grantee's medical transfer service at any time
120 within five years before the expiration of this Franchise.
121
122 (B) If the City elects to exercise its right to purchase the Grantee's medical
123 transfer service, the City shall notify the Grantee in writing at least 90 days
124 before the effective date of the purchase.
125

- 126 (C) The City and Grantee shall have 30 days following the date of the City's
127 notice to negotiate and agree upon a purchase price. If they fail to reach
128 agreement within such 30 day period each party shall, within 60 days
129 following the date of the City's notice of intent to purchase, designate an
130 appraiser experienced and knowledgeable in the valuation of similar
131 services.
132
- 133 (1) Each appraiser shall conduct an independent appraisal of the fair
134 market value of the Grantee's medical transfer service as a going
135 concern as of the effective date of the purchase by the City.
136
- 137 (2) Each party shall be responsible for the appraisal fees of its own
138 appraisers.
139
- 140 (3) In conducting the appraisals, the appraisers shall consider, among
141 other factors, the book value of the assets constituting the Grantee's
142 medical transfer service, the age, condition, and remaining useful life
143 of the Grantee's property utilized in performing services under this
144 Franchise, and the discounted future revenue stream considering the
145 Grantee's actual customer base at the time the notice of purchase is
146 given by the City, for the remaining useful life of the assets.
147
- 148 (4) If the two independent appraisals result in purchase prices that are
149 within 20 percent of each other, the purchase price to be paid by the
150 City will be the average of the two appraisals. If the two independent
151 appraisals are not within 20 percent of each other, then the two
152 appraisers shall discuss their appraisals and attempt to arrive at a joint
153 determination concerning the purchase price. If the two appraisers are
154 not able to arrive at a joint determination of fair market value within
155 120 days after the City's notice of its intent to purchase, then the City
156 and Grantee shall jointly select a third independent appraiser. The
157 third appraiser shall submit a determination of the purchase price
158 within 30 days of being selected, and the purchase price shall be the
159 average of the three appraisals. The City and the Grantee shall each
160 pay 50% of the costs of the third independent appraiser.
161
- 162 (D) The purchase price shall be payable in cash unless the parties mutually agree
163 otherwise. If the City exercises the purchase option, pays the purchase price,
164 and serves notice of the action on the Grantee, the Grantee shall immediately
165 transfer to the City title to the Grantee's medical transfer service and all
166 property, real and personal, of the Grantee's medical transfer system.
167

- 168 (E) The Grantee shall transfer the property free from liens and encumbrances
169 unless the City agrees to assume the encumbrances in lieu of some portion of
170 the purchase price.
- 171
- 172 (F) The Grantee shall execute and deliver warranty deeds, bills of sale, or other
173 instruments of conveyance to the City to complete the transfer.
- 174

175 **PART 11. ACCOUNTS, RECORDS, REPORTS AND INVESTIGATIONS.**

176

177 Not later than 10 days after receipt of a request for information from the Director, the
178 Grantee shall provide the City information affecting the maintenance, operation and
179 repair of the Grantee's medical transfer service in the public rights of way.

180

- 181 (A) The Grantee shall keep complete and accurate books of accounts and records
182 of its business and operations under this Franchise. The account shall be
183 maintained in accordance with generally accepted accounting principles.
- 184
- 185 (B) The Director may require the Grantee to keep additional records to identify,
186 account for, and report revenue and uncollectible accounts.
- 187
- 188 (C) The Director may require the Grantee to provide other information relating
189 to this Franchise in the form and manner prescribed by the Director.
- 190
- 191 (D) The Director may audit the Grantee.
- 192

193 **PART 12. ANNUAL AUDIT.**

194

195 The Grantee shall furnish to the Director an annual financial review audit performed by a
196 Certified Public Accountant. The audit shall describe the Grantee's financial status and
197 shall be performed at the Grantee's expense.

198

200

201 The Director may conduct periodic reviews, including actual on-site surveys of the
202 Grantee's physical plant and operation. The Director may, at any time, make inquiries
203 pertaining to the Grantee's performance of the terms and conditions of this Franchise. The
204 Grantee shall respond to an inquiry not later than three days after an inquiry by the

The Grantee is an independent contractor in the performance of this Franchise, and shall indemnify and hold harmless the City, its officers, agents and employees from any and all claims or losses which may result from any negligent or intentional act or omission of the Grantee, its agents, employees or representatives under this Franchise. The Grantee shall defend, indemnify and hold the City harmless against damages, costs, loss or expense for the repair, replacement, or restoration of City's property, equipment, materials, structures and facilities which are damaged, destroyed or found to be defective as a result of an act or omission of Grantee, its agents, employees or representatives under this Franchise.

- 295
296 (A) The Grantee, for itself and its agents, employees, subcontractors, and the

320 Grantee shall indemnify the City to the full proportionate extent that the
321 Grantee is determined to be at fault. It is the intention of the parties, and the
322 Grantee expressly agrees, that the provisions of this section shall not exclude
323 claims, damages, and losses caused in part, but not wholly, by the
324 negligence of the City, even if the City is more negligent than the Grantee.
325

326 The City shall give the Grantee prompt written notice of claims made or suits filed
327 against the City that relate to the Grantee's Franchise activity, and shall cooperate with
