Mr. Sadowsky,

Enclosed please find a conceptual site plan prepared as requested by several Historic Landmark Commissioners at its last meeting in October. The expressed concerns that are addressed in this plan include:

- Preservation of 58" live oak tree #5138
- Desirability of new sidewalks
- Preservation of existing retaining walls
- Illustration of full extent of proposed development
- Monitoring program during construction for preservation of historic structures

We appreciate your accepting this application at this time.

Sincerely,

Derrick Galunas
