

**Late Backup****MOTION SHEET****NOW, THEREFORE: BE IT RESOLVED BY THE CITY OF AUSTIN CITY COUNCIL:**

The City Manager is directed to identify City-owned sites in the ~~urban core~~ **full purpose jurisdiction (including the Travis County Expo Center)** as well as **potentially** underutilized parkland, that might be appropriate for a soccer stadium, as well as sites outside the urban core, where **a stadium**, practice fields and ancillary uses could serve an MLS team and the surrounding community.

This analysis should also consider:

- Traffic and other potential impacts on residential neighborhoods communities adjacent to identified sites;
- Displacement of City programs or services as a result of a conversion in use;
- New programs serving Austin residents, including community benefits that could result from the construction of a stadium and practice fields;
- Direct and indirect economic benefits of having an MLS team in Austin;
- Processes for engaging the public in consideration of these options.

The above analysis should include engagement with neighborhood groups, Precourt Sports Ventures, **Austin Sports and Entertainment**, area colleges and universities, Independent School Districts within Austin city limits, and other potential stakeholders.
