Additional Backup Information:

On June 13, 1996 Council approved an ordinance authorizing a settlement and compromise agreement with Josie Ellen Champion, Juanita Champion Meier, and Mary Margaret Champion Roberson relating to development of property, including the property located at 6409 City Park Road, referenced in the agreement as tract 3 ("Original Agreement"). The owners desire to amend the settlement agreement and associated ordinance to restrict development of the

eastern portion of the property and to further modify regulations applicable to the property.

On November 10, 2016 Council approved an ordinance authorizing the first amendment to the Original Agreement. The November 2016 action was challenged in court based on insufficient posting language. The trial court recently ruled in favor of the Plaintiff, voiding the prior Council action. This action would approve the First Amendment to the Original Agreement and the code modifications necessary to effectuate the First Amendment.
