PUBLIC HEARING INFORMATION

Although applicants and/or their agent(s) are expected to attend a public hearing, you are not required to attend. However, if you do attend, you have the opportunity to speak FOR or AGAINST the proposed development or change. You may also contact a neighborhood or environmental organization that has expressed an interest in an application affecting your neighborhood.

During a public hearing, the board or commission may postpone or continue an application's hearing to a later date, or recommend approval or denial of the application. If the board or commission announces a specific date and time for a postponement or continuation that is not later than 60 days from the announcement, no further notice is required.

A board or commission's decision may be appealed by a person with standing to appeal, or an interested party that is identified as a person who can appeal the decision. The body holding a public hearing on an appeal will determine whether a person has standing to appeal the decision.

An interested party is defined as a person who is the applicant or record owner of the subject property, or who communicates an interest to a board or commission by:

- delivering a written statement to the board or commission before or during the public hearing that generally identifies the issues of concern (it may be delivered to the contact person listed on a notice); or
- appearing and speaking for the record at the public hearing;
- and:
- occupies a primary residence that is within 500 feet of the subject property or proposed development;
- is the record owner of property within 500 feet of the subject property or proposed development; or
- is an officer of an environmental or neighborhood organization that has an interest in or whose declared boundaries are within 500 feet of the subject property or proposed development.

A notice of appeal must be filed with the director of the responsible department no later than 14 days after the decision. An appeal form may be available from the responsible department.

For additional information on the City of Austin's land development process, visit our web site: www.ci.austin.tx.us/development.

Written comments must be submitted to the board or commission (or the contact person listed on the notice) before or at a public hearing. Your comments should include the board or commission's name, the scheduled date of the public hearing, and the Case Number and the contact person listed on the notice.

Historic Landmark Commission
Attention: Steve Sadowsky and Cara Bertron

Dear Steve and Cara,

As you know, I own 1404 W. 9th, 1408 W. 9th (comprising 1406 A/B, 1408 B/C and 1410 A/B W. 9th), and 905 Maufrais. I also own 1731 W. 10th, 1003 Charlotte, 1414 W. 6th, 1112 W. 6th, 1624 W. 5th, 507 Campbell and 1400 W. 5th. I believe these are all properties which are included in OWANA's "jurisdiction." OWANA is currently trying to push back the December 18 hearing for the demolition of the West 9th properties. I strenuously object to your delaying the meeting. Because there is no historical significance to any of these properties, I believe they will just be "drumming up" something to delay or stop the process.

Regarding the church properties: I have lost approximately \$300,000 over the last five years in order to save my mother's church and residence at 1406 W. 9th for her while she was alive. By that, I mean, even with the rents I have received over that time, I have still been in the red by that amount. I am essentially desperate to *not* own this property and challenge anyone to be able to own it themselves as is. If I am comfortable with the properties' being demolished after having put this much time and money into them, I feel it is unconscionable to give non-property-owners the authority to forbid it. I hope you will take this into account with your decision as to whether to delay the meeting, and, of course, to allow the demolitions as necessary.

With respect to the attached forms, I do not know which of my properties apply to 802 Pressler or 1006 Lorrain, but I'm in favor of allowing the property owners or builders to demolish their structures at their discretion.

It was nice meeting you at the LHD meetings. Thanks to Cara for keeping me from arguing about my property!

Thank you,
